MEMORANDUM FOR: Deputy Director, Administration

SUBJECT : Army Officers Retiring 30 August 1954

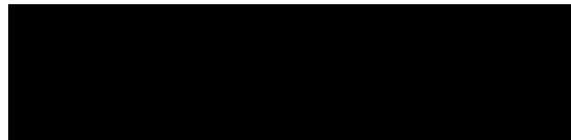

~~CONFIDENTIAL~~

1. On 30 August 1954 a large group of senior Colonels and a few Brig Generals were retired from the Army. Of this group many are highly qualified individuals who are relatively young (51-54).

2. The attached brochure includes biographical sketches of a small number of these officers. The Assistant Director for Personnel, Mr. Reynolds, could arrange to have a few of these officers recalled to active duty if the agency and the individuals are mutually in agreement with such action.

3. This group of officers consists of graduates of the National War College and senior service schools who have years of productivity and potential for the future. You or members of your staff may know some of these officers personally.

4. The Deputy Director (Plans) has shown interest in this situation and has already started proceedings to recall a few on a highly selective basis.
